COLLEGIAN MEDIA GROUP
2024-25 ADVERTISING TEAM

A CLIENT'S GUIDE TO SUBMITTING ARTWORK

When providing artwork for the creative team, there are a few things that you can do to ensure your ad looks great in print and digital form!

Preferred file types for advertisement artwork:

Print.....PDF

PDFs are preferred because they keep all of the detail of your artwork. If the creative team needs to make edits for you, PDFs are able to be opened in our design software and updated. This makes updating the wording, colors or other assets of your design easy!

Digital.....JPEG (RGB), PNG

JPEGs are our preferred file type for online use due to their typically smaller file size. When exporting a JPEG for use in an online advertisement, please ensure that the color mode is RGB. PNGs are also acceptable image files.

When exporting either JPEGs or PNGs, please ensure that image files are at least 96 PPI. 150 PPI images are preferred. PPI is pixels per inch and is the true resolution of your exported design.

Other high quality image files are acceptable.

Logos Vector (AI, EPS, SVG), PNG

When the creative team is creating artwork for you, we prefer to use your official logo representing your brand. We want to ensure the advertisements we create are authentically you!

When providing logos for our creative team, a vector version of the logo is preferred. Vector versions are not typical image files, and contain the data of every line and shape within your logo. This means that they are infinitely scalable and usable at any size. Typical vector file types are AI (Adobe Illustrator), SVG and EPS.

A high quality transparent PNG (150 PPI or greater) is also acceptable. PNGs, while raster images (made of pixels rather than vectors), are able to be exported with a transparent background. This means that the creative team can use it on any background. Please ensure that the provided PNG has a transparent background.

The more information the creative team is given about your brand and advertising goals, the better we can do! Having an idea of the wording, color and vibe of your advertisement can fast track the process of creating your advertisements.

For any questions about submitting artwork, ask your account manager or reach out to creative@collegianmedia.com
